

WHY CHOOSE CONRAD MALDIVES?

Ten great reasons to spend a holiday at Conrad Maldives.

1. ITHAA UNDERSEA RESTAURANT

The first and only all-glass underwater restaurant in the world, open for lunch, dinner, cocktails, private hire and weddings.

2. ONE OF THE LARGEST F&B OPERATIONS IN THE MALDIVES

With seven restaurants and four bars (not including 24-hour in villa dining, beach barbecues and private dining events) each with their own food and drinks menu.

3. TWO ISLANDS CONNECTED BY A 500 METRE BRIDGE

This gives space and the opportunity to genuinely cater for different holiday styles: a typical romantic honeymoon destination on Rangali Island for couples, while families will enjoy the livelier main island.

4. TWO SPAS

Both located over water and each has its own treatment menu, product range and philosophy.

5. FANTASTIC HOUSE REEF FOR SNORKELLING

Just steps from the beach on the main island. Great for spotting turtles, corals, thousands of colourful fish, eagle rays, mobula rays etc.

6. SOME OF THE BEST SNORKELLING AND OVER 42 EXCELLENT DIVE SITES WITHIN EASY REACH.

Whale shark snorkelling year round, the only place in the Maldives where you can watch mantas from land (they swim under the bridge most evenings Nov - May), dolphin watching from our yacht.

7. THE FIRST SUBMARINE IN THE MALDIVES

It seats two guests and a driver for a 30-minute dive to a maximum of 30 metres.
