

SIX SENSES

LAAMU

"So life's year begins and closes; Days though shortening still can shine;
What though, youth gave love and roses; Age still leaves us friends and wine."

---Thomas Moore

In Vino Veritas

A vinous welcome to the patrons of Six Senses Laamu! - Your gateway to luxury in serenity. Any such luxury would of course be incomplete without the blessings of Bacchus- the god of wines. We have compiled a wide array of wines taking great care to showcase different grapes, regions, winemakers and winemaking styles. Keeping in line with our motto of "Responsible Luxury", a vast number of these selections are made using sustainable, organic, and biodynamic practices and are easily identifiable with the 🌿 symbol.

In these selections, our aim is quite simple: to satisfy you, to thrill you, to open your senses to something new.

Should you have any questions, please do get in touch with us or any other member of our service team.
