DIVING

The Cocoa Island Dive Centre is open daily from 8am until 6pm. Staff are always on hand to assist you and to recommend dive sites to match your interest and experience.

Reservations can be made at the dive centre before 5.30pm on the preceding day. If you are unsure whether or not to dive the next day, it is better to make a reservation anyway. This avoids disappointment should the boats or diving schedule fill up.

There is no charge for cancellations.

The Cocoa Island Dive Centre offers three dives a day.

8.30am - Advanced dive to experience shark sightings
 10.30am - Mixed level dive
 2.30pm - Mixed level dive

The mixed level dives include many options, including Manta Ray Cleaning Station, Wreck to Wall dive and Small Critters diving.

Please arrive at the dive site 15 minutes before departure.

For safety reasons we ask all divers to allow 24 hours between their last dive and flying.
