Kihaad Maldives, settled in Baa Atoll, is strategically located 10-minutes ride by private Resort boat from Dharanvadhoo domestic airport, opened since October 2012.

In addition to this, Kihaad is settled close to Hanifaru Bay, which is perfect for snorkeling and diving lovers, being a Marine Protected Area biosphere by UNESCO where whale sharks and manta rays meet seasonally.

Once arrived to Malé International Airport in Maldives, Guests can reach Kihaad by domestic flight operated different times per day by Maldivian local airlines. The flight allows Guests to reach Dharavaandhoo domestic airport on time and in total comfort. Once landed in Dharavaandhoo, our boat will be ready to accompany them with a pleasant 10-minutes ride across the smooth ocean.

In alternative, TMA Trans Maldivian is available with flights operated through seaplanes, and it takes approximately 35-minutes to land on Kihaad’s water platform.

Our Reservations Department is pleased to assist Guests in the organization of their domestic flights, sharing with them rates, time details, and booking directly their seats.
Recently redesigned and restyled, Kihaad Maldives – nestled on its own 600 meters long and coconut-shaped Island in Baa Atoll in Maldives – is a friendly Resort with lush green vegetation, long sand white beaches and an adjacent surrounding coral reef.

The Resort offers 118 spacious private Villas and a wide range of facilities and services, in full respect of the pristine natural Island’s ambience.

Kihaad features white sand beach all around its coastline, allowing Guests to fully enjoy, in total relax, a 360° coastal area and its breathtaking sealife, thanks also to diving and snorkeling activities.

Welcome to Kihaad, where sun, blue sky and turquoise ocean melt together… all designed around you.
A friendly atmosphere, where Guests can enjoy their time of relax, exploration and sunbathing in total comfort, surrounded by a welcoming and cordial feeling; in addition to this, thanks to its strategic position close to Hanifaru Bay, a Marine Protected Area biosphere announced by UNESCO where whale sharks and manta rays meet seasonally, Kihaad confirms to be one of the best location to fully enjoy the Maldivian relaxing and natural atmosphere.

Kihaadhuffaru Island is a heaven of peace, tranquility and serenity. The crystal clear waters of the shallow waist-deep lagoon, white coral beaches and green vegetation instill a feeling of harmony and being at once with nature.

Kihaad focuses on the preservation of marine life and local lifestyle, traditions and culture.

Despite the extensive facilities and services offered in Kihaad, barely 30% of the Island has been utilized, while nearly 70% remains an untouched area, in full respect of Maldivian natural environment.
